

Growth Detective - Sprouts

We often miss the growing beauty of God's world. We nourish our mind, body, and spirit when we take time to see and remember the growing wonder of God's creation. You will become "Growth Detectives" looking for signs of growth.

- Gather your materials (mini notebook- included, pen- not included)
- Walk around your backyard/neighborhood and write down or draw what you see, take close attention to detail; in small and big areas.
